ACCESSIBILITY The West Windsor Arts Council strives to make the arts accessible for all people with different abilities and needs. The West Windsor Arts Center was designed to provide ease of access to the lobby, gallery, and studio through use of ramps and an elevator. The loft area, utilized for some camps, is not wheelchair accessible. WWAC encourages families to discuss with us their needs so we can make a plan to accommodate them. Upon request, and with 2 weeks notice, specific accommodations will be made subject to our available resources.

CANCELLATION POLICY WWAC does not guarantee that camps cancelled due to circumstances beyond our control (i.e., weather, power outage) will be made up and no refunds will be issued. We do not offer make-up days due to a child's inability to attend. In rare instances, camps may be cancelled 2-weeks prior to the start of camp due to low enrollment. A full refund will be issued in these cases. We ask that you please communicate any planned absences to the Education Manager.

REFUNDS Please review details at westwindsorarts.org/camps/

FULL REFUND Camp fees (less non-refundable registration fee of \$50 per camp) will be refunded if written notification is received at least eight weeks before the first day of camp OR if a camper is unable to attend the full camp due to medical reasons.

PARTIAL REFUND 75% of camp fees (less \$50 non-refundable registration fee) will be refunded if written notification is received between four and eight weeks before the first day of camp.

No refund will be issued less than four weeks before the first day of camp or when camp is in session, if a child is sent home from camp due to behavioral issues, or if a camper decides not to attend the program or leaves early for any reason.

Fly on over to WWAC for a super-filled camp week. Be your own hero and fight crime in filmmaking, visual or digital arts. Whether it's super speed, strength or shapeshifting, we will showcase all your greatest abilities.
