

Zakia Ahmed, Teaching Artist

Granada, San Matias Realejo

oil on canvas

24" x 30"

\$1,000

“The subject of this painting is from my visit to Spain last year. I was fascinated not only by its historical aspects, but also moved by its architectural beauty. In this painting, I liked how the buildings in different sizes and the colors came together. The beautiful intricate floral and geometrical patterns on the walls, windows and ceilings was breathtaking.”
