### Proclamation Issued by Mayor and Council on May 24, 2021

West Windsor Arts was incredibly honored to receive recognition from the township celebrating 10 years of service to the community at the West Windsor Arts Center. The proclamation was presented by Council President Andrea Mandel during the May 24, 2021 town council meeting to Executive Director Aylin Green and board members Elane Gutterman and Doreen Garelick. Board President Jyotika Bahree was also in attendance as well as many other supporters and members. We look forward to the next 10 years of welcoming all members of the community to transform the world around us through the arts!

We would like to recognize and thank our federal, state and local legislators who have supported the arts through new and streamlined grant opportunities during this difficult time.
