

## **West Windsor Arts Reveals Its Anonymous Donor**

Our boat secured in shallow  
and choppy waters by this captain.

Our vision endowed with unexpected  
pots of gold by this rainbow.

Gifts from supporters enticed by a doubled match  
of their dollars by this magician.

Many meetings seeded with well cultivated  
and robust advice by this farmer.

His wife Brenda's memory and deeds  
sustained by this river of generosity.

Our tree of art, braced and brimming with life.  
Rick Engel, you are this evening's star.
