

Broadcast Bash

The Artist Meetup Collab is the highlight of my month. It's a great way to connect with fellow artists, share and discuss work, and learn about new techniques and materials. I always walk away feeling inspired and ready to create! —Abigail J.

WWA News

Honoring Eduardo Garcia

We were saddened to share that Eduardo Garcia, West Windsor Arts' first Executive Director, passed away on April 20, 2024. Throughout his career, Eduardo dedicated himself to the arts community, served several organizations as executive director, represented our region for the National Endowment for the Arts, and led the New Jersey Literacy in the Arts Task Force. Eduardo played an instrumental role in making the community's dream of a center for the arts in West Windsor a reality. This community resource would not be where we are today without Eduardo's early efforts and guidance. We thank his family and all the donors who continue to contribute to West Windsor Arts in his honor.
